## THREE RIVERS TOUR

 **03 - 05 june**  
3 days / 82 km

 **REQUIRED LEVEL** 

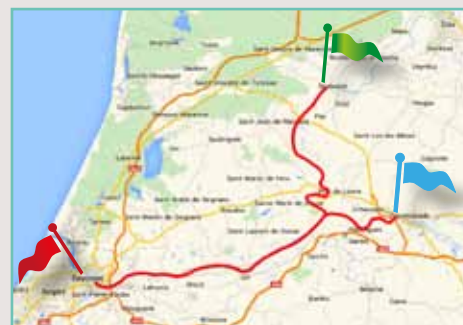

## ROUTE

This three days long tour in the Basque Country will take you, as mentioned in its title, on a trip along three rivers : the Nive, the Adour and the Gaves Réunis. On the first day you will wander on the Ardour and the Gaves Réunis from Saubusse to Peyrehorade. On the second one you will back up from Peyrehorade to Bayonne, and then on the last one, you will go back up the Nive to Ustaritz.

Since your accommodation is in Bayonne you will go back every evening to visit the city and all the nice places the organizers want you to discover. According to the previous rowers it's worth it!

## SIGHTSEEING

You will enjoy the festive atmosphere of the bunkers sheltered in Vauban's rampart (local must-see of the fortified city) and a traditional closing meal at the Aviron Bayonnais Club House. Local restaurant propose typical and refined dishes. On arrival you will park your car for four days and start living at the pace of the tide, and let Basque songs and music lull you. Our best representatives will tell you all about it, since they've been coming for more than 15 years now. More than a tour, we propose a discovery of the Pays Basque, whose festive culture already seduced many rowers.
