

## WEEK-END VIDOURLE LOOP

**11 & 12 november**  
2 days / 25 km

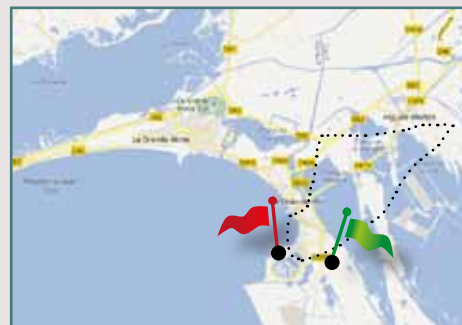

REQUIRED LEVEL

### ROUTE

This weekend in Camargue is composed of two different activities : you will spend the first day on the canals and the second one discovering sea rowing. The tour starts in the heart of the typical fishing port of Grau du Roi. You will then go back up the famous « Vidourle » and enjoy the amazing wild spaces of Camargue. You will continue your tour on the Rhône canal in Sète then will take the « small canal » bordered with stone pines before reaching Aigues-Mortes. Then you will finally take the canal from Aigues-Mortes to Grau du Roi along the «salins du Midi».

### SIGHTSEEING

This tour will make you believe in persistent summer since at that time of year winter has no hold on the region. You will glide carefully in these beautiful spaces born from the sprawling of the great Rhône which goes diluting with elegance inside the Mediterranean Sea.
